Leadership workshops took place in June. Continued this past Tuesday (Sept 17) in a 4-hr session.

Servant Leadership is being extended through the campus community. The division chairs have been educated in this philosophy.

	<p>fields- creative portfolios (publications of poetry, fiction, artists presenting at shows)...self-published works and electronically published works bear less weight...there is no numeric value and indeed there are ways other than publishing that can satisfy the requirements. [the Dean is working on a paper clarifying the requirement for tenure for Branch campuses]</p> <p>Dr. Dyer- "persistent production....just do something and keep doing something...things accumulate and it shows that you're active."</p> <p>--Jody Sowers will be inviting interested parties to a meeting to discuss the issue</p>
